FOR MAYOR. JOHN A. McEWEN.

The Canvass for Mayor. At a conference yesterday of friends of the several American candidates for Mayor, after a free interchange of opinion, JOHN A. McEWEN, Esq., was nominated as the American candidate. This nomination, we have no doubt, is the best solution of the difficulties in which our friends have become entangled, that could have been made. Mr. McEwen has grown up in our city, and is identified with its interests. He is a gentleman eminently qualified to discharge successfully the responsible duties of the trust it is proposed to confide to his keeping. Intelligent, sagacious, enterprising, of great energy and influence, a high toned honorable gentleman, of unswerving integrity, it will give the Americans of Nashville great pleasure to vote for him. The election is close at hand. call upon all who have any regard for American men and principles left, to rally zealously to his support. Americans have felt the intolerance and proscriptiveness of the sham democracy. Let them have no part or lot in elevating one of that party, no matter who he is, to the highest office in their gift. Spurn the specious appeal

EAST TENNES-ES AND VIRGINIA RAILROAD. - We learn that since the 5th of August, the iron has en laid upon thirteen additional miles of the above road in this direction, from Jonesboro', leaving only thirty miles staging. The grading on the balance of the road, with the exception of 8 miles at Bull's Gap and East of it, is finished.

ERRATA. - In the publication of the lists of Officers to hold the Municipal Elections, the receivers of votes for the first and fifth Wards, were inadvertantly left out. John N. Hobbs was appointed receiver for the first Ward, and Jo. B. Knowles for the fifth Wari.

For the Daily Patriot. "The Monetary Crisis of the North and Last-The Defective System of Banking in Tennessee."

If the author of an article in yesterday's Gazette, headed as above, will only note the difference in the amount of circulation of the Union and Planters' Banks about this time last year, (together say somewhere about \$8,000,000) and their present circulation (say together about sixteen or seventeen bundred thousand dollars) and recoilect too that the late and even the present difference between the seller and buyer (as to the asking and selling price of some of our leading articles of production and export) has been too great for buyer and seller to come together, he may get a bint which may lead him to ascertain not only the true cause of the present actual scarcity of exchange in Tennessee, but also why certain banks cannot this year as last year, make exchange, and nobly march up to the rescue. And besides, may even see cause why he should not, in speaking of our banking system, include all our banks in one general tirade of abuse. JUSTICE.

County Court Clerk. Editors of the Patriot: I noticed in the Patriot, of the 21st inst., a communication over the sigmature of "A thousand Majority," which accords fully with my views and feelings in reference to my candidacy for County Court Clerk. I should as an American, feel buniliated and justly consurable, were I to pursue any course which would conflict with the harmony of a party, already weakened and injured by dissensions. My name was presented as a candidate only after the repeated and earnest solicitations of my friends; and it will be promptly CITY CLOTHING STORE! the choice of a majority of a party, the success of whose principles I shall ever regard as paramount

Miss Dora Snaw -- We were pleased to see so large and fashionable audience present, as graced Miss Shaw's benefit last night. It was not as much as she deserved, but better than we had expected. Often as Camille has been performed, we think we hezard nothing of truth in saying it has not been so well rendered in Louisville as by Miss Shaw; nor do we go beyond the truth in asserting that it was faultlers, both in conception and execution,-Many scenes were given with a power, others with a melting pathos, that actually allenced the tongues of the belles, and made them mute with sympathy. It was very far superior to the Camille of Miss Heron, and, of itself, stamps Miss Dora Shaw an artiste of superior talent-we may say, of genius. But we have not time to say more. To-night she will appear as "Evadne," and we advise those who would see a most excellent performance to go and

Fine Stock Farms AT PUBLIC SALE. Lying in the county of Warren, immediately on the Stage Road leading from Murfreesboro to McMinnville, 9 miles from the latter place, and within I miles of the Manchester and McMinn-

ville Kailroad ON TUESDAY, OCTOBER 27th, 1857, I will offer for sale, on the premises, to the lighest bidder, about 7000 A cres of excellent lands in Warren county. They are gently undulating, and the portions not cleared studded with fine oak, peplar, hickory, walnut, and other descriptions of timber, producing mast in abondance.
Charley's creek, an unfalling stream, furnishing an abundance of water, runs through the centre of them, and there are, in addition, twenty fine Springs scattered through them. The soil is well adapted to the cultivation of Corn, Wheat, Oats, all the small grains, and domestic grames, and will compare favorably with the best Warrer county lands. Producing grass spontaneously, in abun-ance, there is no better range for cattle and sheep in the State. A portion of the lands are improved, there being some eight or ten cutilvated farms, with cottages, upon the tract, independent of the beautiful residence of Mr. Glascck. The whole body of them has, however, been recently surveyed and laid off in small tracts, containing from 100 to 800 acres, and fronting on a public road. In point of seciety the location has many advantages; churches, schools, and mills are convenient, and the Manchester and McMinnville Railroad, which is but seven miles distant, affords an outlet to market. The town of delineville, the county seat, is but nine miles off, near which it is believed the great Southern University, to be established under the auspices of the Episcopal church, will be located; thus enhancing the value of all the lands in the neighborhood. The celebrated watering place. Beersheba, is but 25 miles distant. The healthfulness of this portion of Middle Tennessee is proverbial, it is the South So ummer retreat of numbers of persons from the South.

This sale will afford an unusually fine opportunity t those desirous of purchasing stock farms, in one of the best sections of the State, and it is hoped that all such, as well as those who may wish marely to obtain a place of efuge from the heats of summer, will examine these A free Barbecue will be prepared at the Big Spring, head of Charley's Creek, for the accommodation of all who TREMS OF SALE .- One, two, and three years credit, for notes with approved security, and a lien retained.
